

Sumter Soccer Club is a volunteer based, nonprofit, 501 organization registered with South Carolina. Our goal is to provide instructional and competitive youth soccer opportunities in our town. Soccer is great teacher not only from a skill perspective but it also helps develop character, commitment, perseverance, community and the love of the game. The club prides itself in having a diverse community supported by the local residents and businesses. Our club currently fields over 150 players ranging from ages 4 to 18. While playing soccer is an exciting activity it does carry cost; these costs include but are not limited to updating equipment, referee fees, training and facility maintenance. In order to continue to make this a rewarding experience for our youth, we are reaching out and offering the opportunity to partner with the club. Please review and select the package that best fits you or your businesses budget. Your sponsorship would be greatly appreciated.
